Re: Your Top-Secret November Missions

Mission 1: Support the Brave Men and Women of Our Armed Forces!

While we celebrate the very special Christmas holiday in the security and comfort of our own homes here in the U.S., many soldiers overseas long for those treasured holiday moments. You can bring a little bit of Christmas to the soldiers who sacrifice so much for us. During our **next meeting on Sunday, November 2**, you will decorate Christmas garland with homemade ornaments. The soldiers will be able to use them to decorate their home away from home. You will also fill candy bags for the soldiers so **bring any leftover Halloween candy you would like to donate to our next meeting at 3:30 p.m. at Headquarters (Room 211)!**

You and your family can meet at DFW at 8:00 a.m. the following **Saturday, November 8** to cheer on soldiers that are returning from Afghanistan and Iraq for a 2 week R&R (rest and recuperation)! We will bring posters you have decorated and signed during our meeting and ask that you bring a small flag with you if you have one! This is an amazing way for you to show your support of our troops!

Mission 2: Help Bring a Smile To Local Children!

Agents, look around your home for any new or gently used fast-food type toys (McDonald's, Sonic, etc.). Be sure to clean out your toy boxes too! Get your parent's approval and then bring them with you to our next meeting! The toys will be donated to Community Dental Care who serves all of Collin County providing dental services to low income families and will certainly bring a smile to these children!

GOOD LUCK ON YOUR MISSIONS!

MOVING ON UP. . .CONGRATULATIONS to these agents on their well-deserved promotions:

Supporting our Troops: Agents do not need to bring anything with them for the homemade decorations we will be making for the Christmas garland. However, if you have any leftover Halloween candy you would like to donate, we will use it to fill candy bags for the soldiers and also for our December mission.

Meet and Greet at DFW Airport: If you and your agent would like to take part in the DFW “Meet and Greet the Troops” program at **8:00 a.m. on Saturday, November 8**, please email Agent Handler Kelly Bumpass at bumpassfamily@sbcglobal.net by **Tuesday, October 28**. ***We will only do this if we have at least 10 agent families who commit by that date!!*** Flights are scheduled to arrive at DFW at 8:00 a.m.; however, they can always be delayed, so each family will need to call the recorded message at **972-574-0392** after 8:00 p.m. the night before and again before heading out to the airport on Saturday morning. If you commit to go, you will receive an email with additional details on where to meet and other important information!!

Question: “Tell me more about the National MPKids program and the special missions we receive from Mission Control.”

MISSION POSSIBLE KIDS was started here at CUMC in 2003 and is now offered nationally to other churches who want to develop mission-minded children. The missions offered by Mission Control are totally optional and will earn your agent one Mission Star. If your agent has schedule conflicts and has to miss an MPKids event, this offers a way for him/her to continue to be in God’s service and work toward agent promotions, too! Be on the lookout soon for the first solo mission offered from Mission Control for this school year!
